HOMECOMING WITH SSWA

"The Scotsman" Reimagined

This year at homecoming we asked you to reimagine and update "The Scotsman" for a modern USU. We present you with our winner, a runner-up, and a mash-up of our favorite lines. Thanks to all who participated!

First Places:

Show me an Aggie
Who doesn't love the cold.
Show me a Utahn
Who doesn't love a Jello Mold.
Show me the true blooded
Aggie from Utah
Who doesn't love the spot
Where Aggie ice cream is sold.

Runner-up:

Show me a skier
Who doesn't love the powder.
Show me a boarder
Who doesn't love the park.
Show me a snow-loving
person from Utah
who doesn't stomp a spot
where the deep snow falls.

A mashup of our favorite lines:

Show me the climber
Who doesn't love the mountains.
Show me the farmer
Who doesn't love crop rows.
Show me the true-blooded
student from Utah
Who doesn't love the spot
Where the blue "A" glows
