HOMECOMING WITH SSWA

"The Scotsman" Reimagined

This year at homecoming we asked you to reimagine and update "The Scotsman" for a modern SSS. We present you with our winner, a runner-up, and a mix-up of our favorite lines. Thanks to all who participated!

First Place:

Show me a place
Who dances on the ground.
Who dances on the moon.
Who plays the drums.
Who doesn't live in the sun.
Who doesn't live in the moon.
Who doesn't live in the sky.

Runner-up:

Show me a place
Where stories are told.
Where there's no sound.
Where there's no echo.
Where stories are told.

A montage of our favorite lines:

Show me a place
Who doesn't live in the mountains.
Who won the war.
Who doesn't know the time.
Who didn't know the time.
Who won the war.
Who doesn't know the time.
Who didn't know the time.
